

June 5, 2007

Dear Plant-a-Row Participant,

The Plant-a-Row for the Hungry project is an outreach of the University of Maine Cooperative Extension. It is a national program sponsored by the Garden Writers Association of America.

The purpose of the Maine Plant-a-Row for the Hungry project is to provide fresh fruits and vegetables to needy individuals and families in Maine. Every home gardener in Maine can be involved in Plant-a-Row for the Hungry. Just dedicate a row (or more!) of your vegetable garden and donate the harvest to a local soup kitchen, shelter or food pantry.

If you want to participate, please complete the enclosed registration form and return it to Somerset County Cooperative Extension PAR Project, 7 County Drive, Skowhegan ME 04976-4209. Once you've registered, we will send you a list of local agencies that can use your harvest.

For more information you can call this office at (207)-474-9622 or 1-800-287-1495.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Hopkins". The signature is written in black ink on a light-colored, textured background.
