Livestock Project Name _____

Date you started this 4-H project during this project year: _____

How many years have you been in this project? (include this year) _____

Please complete the next two statements when you begin your project:

Project Goals:

What do I want to learn? Before you start your project, write at least two things you hope to learn. (You may refer to the Life Skills Wheel if helpful.)

Ex. I want to learn goal setting by designing a Web page for my 4-H club.

Learning Plan:

What will I do to meet my goal? Include at least two things you plan to do to meet your goal.

Ex. I will take an online course in Web design.

Life Skills Accomplishment Form

Complete the following, using the Life Skill Categories that apply to your project.

<p>Life Skill Head <i>Example: Critical Thinking</i></p>	<p><i>I learned that the number of bytes of data affects how long a file takes to download.</i></p>
<p>Life Skill Heart <i>Example: Sharing</i></p>	<p><i>I learned that younger 4-Hers enjoyed learning from me and working together to create a Web page.</i></p>
<p>Life Skill Health <i>Example: Healthy Life Choices</i></p>	<p><i>I learned that 4-Hers gain self-esteem by creating attractive Web pages to put on the Internet.</i></p>
<p>Life Skill Hands <i>Example: Self-motivation</i></p>	<p><i>I learned that a team makes a better Web page than one person working alone.</i></p>

With colored pencils or a highlighter, color in all of the life skills you used while completing this year's project. This shows the life skills you gained during your 4-H career (all years).

	<p>Results:</p> <p>What did I learn? Include at least two things you learned while attempting to meet your goal. <i>Ex. I learned that people are more likely to view my Web page if it downloads and displays quickly.</i></p>
